

Google TV Instructions for Installing and Configuring the 8K VIP App

This guide contains 3 sections:

Section 1: Installing Downloader Section 2: How to Install 8K VIP Using Downloader Section 3: Configuring 8K VIP

Section 1: Installing Downloader

To download the **8K VIP app**, you must first install **Downloader**. If Downloader is already installed, you may skip this step and go to Section 2.

- 1. On the Home page, scroll over to **Apps** at the top.
- 2. In the Search Bar at the top, type in **Downloader**.
- 3. Select Downloader and click Install.
- **4.** Once it's installed, select **Open**. (Upon initial launch of Downloader it should prompt you to allow access to Photos and Media on your device. Make sure you hit Allow, otherwise the app will not work).

Section 2: How to Install 8K VIP Using Downloader

1. Open the Downloader app and highlight the address bar.

Home 1	Downloader 🛓 👘 👘					
Browser	Enter a URL or Search Term	n:	<u> </u>			
Files	Ex: "AFTVnews.com" or "Fire TV News" (Navigate here and press Select [+].)					
Favorites		Go				
Settings	Please consider supporting (You'll be given the option t	g this app via these in-app pi to use currency or Amazon (urchase donation buttons: Coins)			
Help	\$1	\$5	\$10			
	\$20	\$50	\$100			

2. Type in the following code: 439873. Once typed in, click on GO. The app should then start installing.

3. During the download you may receive the message below. If you do, be sure to select **Settings** to turn the **Install Unknown Sources** feature..

4. Once in Settings, select the **Downloader** option and **toggle on.** You may then resume the download.

Section 3: Configuring 8K VIP

1. Open the 8K VIP app. Once launched, Select 8K VIP-1.
