

Android Box Instructions for Installing and Configuring IPTV Smarters Pro

Section 1: Installing IPTV Smarters Pro

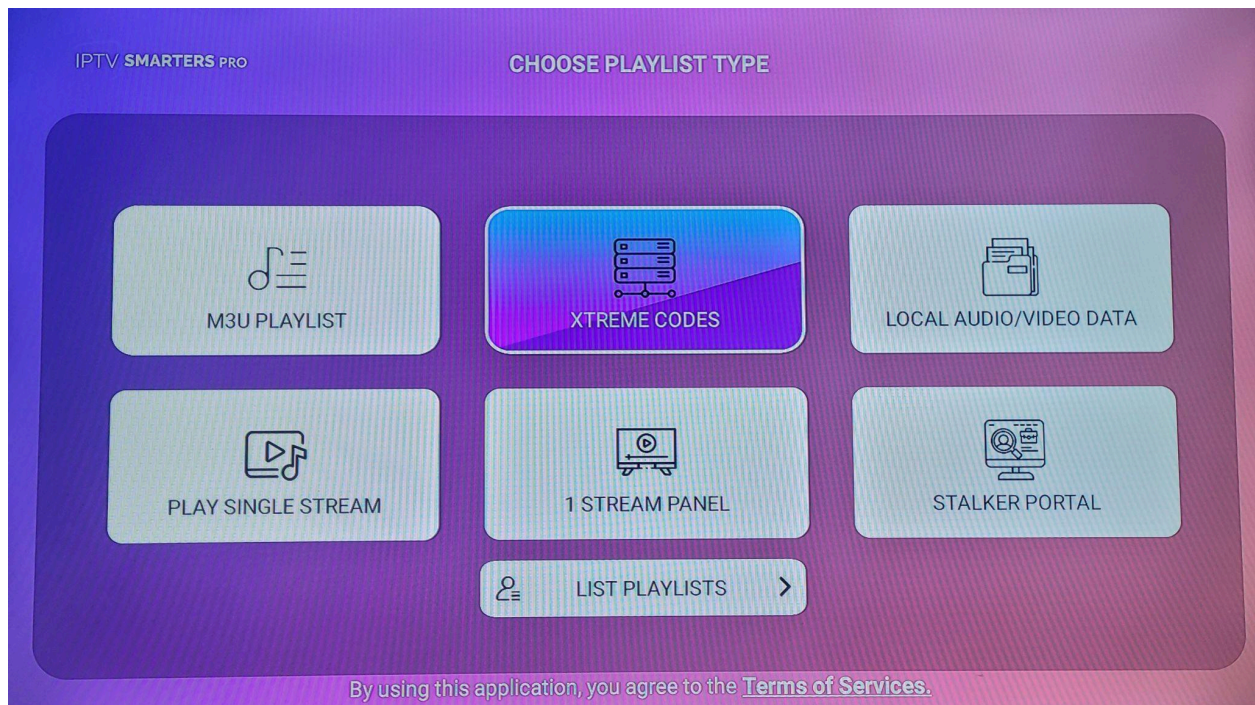

1. Search for IPTV Smarters Pro on Google Playstore.

Alternatively, you can also open a web browser on your device and type in the following URL. www.iptvsmarters.com/smarters4-0.apk

2. Allow IPTV Smarters Pro to install onto your device.

Section 2: Configuring IPTV Smarters Pro

1. Launch IPTV Smarters Pro and choose **XTREAM CODES**.

2. Enter in the Login Details you received upon placing your order which entail **User**, **Password**, and **URL**. Name the server any name you like. Once completed click **ADD PLAYLIST**.

The screenshot shows the IPTV SMARTERS interface. On the left, there is a logo for 'IPTV SMARTERS' and two buttons: 'CONNECT VPN' and 'LIST PLAYLISTS'. On the right, there is a form titled 'Enter Your Playlist Details' with the following fields: 'Any Name', 'Username', 'Password' (with a toggle for visibility), and 'http://url_here.com:port'. A red box highlights the 'ADD PLAYLIST' button at the bottom of the form.
